### LOOKING FOR A SM-ART<sup>M</sup> PLANNING AND LAYOUT DESIGN FOR YOUR AIRPORT?

### **WE CAN MAKE IT HAPPEN**

#### dibariassociates.com

SM-ART™ is a copyrighted brand of DiBari & Associates.

## LET US SHOW YOU HOW TO BE SM-ART

Airports around the world are changing, as many are transforming from an ordinary building into a "box of wonders" that tell a story and showcase the city in which they're located. We can show you how to planning and re-design your airport into a Sm-Art experience for your passengers.

My Associates & Partners are the very best in their respective fields. Our firm designs the city of the future, today. We all share the same vision: creating beautiful, magical,eco-compatible cities implementing new materials, new technologies and brand new ideas. We design Emotional Cityscapes. We believe that the cities of the future will be canvases to be painted with emotions.

Vito Di Bari Innovation Designer
